EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the claims:

Claim 1, line 4, before "switching", delete --said--.

Claims 3 and 4, line 4, replace "that" with --than--.

Claim 5, line 5, before "switching", delete --said--.

Claim 6, line 4, before "switching", delete --said--.

Claims 7 and 8, line 3, replace "facingsare" with --facings are--.

2. The following is an examiner's statement of reasons for allowance:

Claims 1-8 recite a magnetic memory device and a method for improving a magnetic memory device.

The device and method comprises a plurality of thermally resistive links that electrically connect each respective magnetic memory cell in the array to corresponding points in the grid, and that increase the thermal resistance to heat generated in each of the magnetic memory cells, wherein during operation an active magnetic memory cell is caused to heat to a higher temperature than otherwise because the corresponding

thermally resistive link interferes with its heat sinking to respective bit or word lines, and therefore switches magnetic states with less applied energy.

The prior art does not teach or suggest at least the above limitations recited in independent claims 1, 5 and 6. Therefore, the application is in condition for allowance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Huan Hoang whose telephone number is (571) 272-1779. The examiner can normally be reached on Mon-Fri 8:30AM-5:00PM.
